Have You Contacted Your NJ Legislators on TNCs Yet?

The Limousine Association of New Jersey needs your help to protect your company and the entire chauffeured transportation industry in the Garden State from transportation network company (TNC) illegalities.

On 4/7 and again on 4/8, you received a **LANJ E-Flash** requesting that you contact your state legislators by email, USPS or in person to ask for their support of LANJ's position on proposed bill A-3765 which is meant to regulate TNCs such as Uber, Lyft and Sidecar.

If you have done so, many thanks! If not, **please make doing so a priority this week.**

The 4/8 **LANJ E-Flash** provided full instructions on how to make the outreach, a template communication that you could quickly personalize for your messaging and attachments that detail the LANJ position on A-3765. Should you need the 4/8 **LANJ E-Flash** resent to you, advise patricia.nelson103@gmail.com at the soonest.

Remember: Constituents carry a voice like none other. Make your New Jersey legislators hear your voice now!
