### Get Safety Training for Your Chauffeurs with LANJ Member Discount

The Safety Training Operators Program (STOP) is designed to help modify and improve driver behavior, reduce insurance claims and cut revenue losses.

Delivered online, STOP can be used for new hire, remedial, post-accident and annual review training.

The annual cost for LANJ members is \$17.87/chauffeur, a savings of more than 10% from standard pricing.

STOP includes a chauffeured transportation-specific course that features 18 lessons on topics such as defensive

driving, bad weather and night driving, customer safety and accident reporting.

STOP may be used by all companies regardless of fleet size. Chauffeur test scores are verifiable in writing, a real asset to any enterprise when purchasing or renewing insurance.
