LANJ Fight for TNC Regulation Continues Unabated

The Limousine Association of New Jersey's fight for passenger safety and a level playing field for chauffeured transportation operators continues.

Yesterday, February 22, LANJ leaders met with members of the New Jersey Assembly Transportation and Independent Authorities Committee, including Assemblywoman **Valerie Vainieiri Huttie** (D-37) and Assemblyman **James J. Kennedy** (D-22), to determine their positions on transportation network companies (TNCs) and proposed bill A609, the legislation for TNC regulation that LANJ long has been championing.

Today the LANJ delegation is talking with Port Authority of New York & New Jersey representatives to zero in on relevant operations at Newark Liberty International Airport (EWR).
