NLA Announces 2022 Day on the Hill

The National Limousine Association (NLA) has announced its Day on the Hill event will be held this year on **Wednesday May 11** and **Thursday May 12** in Washington D.C after several years of hiatus due to the COVID-19 pandemic.

As described by NLA president **Robert Alexander**, "Advocacy is an integral part of the NLA's mission. This event gives the Association and its members the opportunity to get in front of their legislators about issues facing our industry. It is vital to have as many members as possible attend Day on the Hill. The more members we bring, the stronger our collective voice is."

Registration will open soon. Additional details including information on the two-day itinerary and hotel accommodations can be accessed [here](#).
