## **CERTS Application Portal Open Until Monday 7/19**

According to the U.S. Department of the Treasury, "The Coronavirus Economic Relief for Transportation Services (CERTS) Program is providing eligible transportation service companies with resources to help to maintain payroll, hire back employees who may have been laid off, and cover applicable overhead and operational expenses.

"...Under the program, Treasury will provide up to \$2 billion in grants to eligible companies that certify they have experienced an annual revenue loss of 25 percent or more as a direct or indirect result of COVID-19. CERTS grant funds are primarily to cover payroll costs, but may also be used to cover the acquisition of services, equipment, including PPE and protection measures from COVID-19 for workers and customers; continued operations and maintenance of existing equipment and facilities; rent, leases, insurance, and interest on regular debt service."

**The CERTS portal is open and accepting applications until this coming Monday July 19, 2021.**
