Limousine Association of New Jersey

E-News

October 27, 2020

The Limousine Association of New Jersey E-News is published on the second and fourth Tuesdays of each month expressly for the organization's members.

How LANJ Is Working for You Right Now

Pandemic or not, Limousine Association of New Jersey leaders continue to work for association members and the chauffeured transportation industry at-large in the Garden State.

Right now, primary attention is on two issues: 1) chauffeurs *randomly* being prevented by the Port Authority of New York and New Jersey to enter EWR, JFK and LGA terminals for baggage claim pick-ups; and 2) securing the best possible outcome on the Port Authority's proposed for-hire vehicle/service privilege permit fees at the three regional airports.

LANJ president **Jason Sharenow** reports that recent discussion with Port Authority officials on the first matter was positive, though final resolve yet has been reached. New Information on this will be reported to all members as soon as it is defined.

Airport fees of some kind for drop-offs and pick-ups now appear inevitable but what the amount they will be, how and if they will be applied equally to all for-hire vehicles/services and how they will be implemented and collected are outstanding questions. Again, LANJ is laser-focused on this and updates will be advised as they are determined.
