### Come to LANJ Breakfast Meeting on 11/5; Take Away Lots to Digest

Put "8 AM LANJ Breakfast Meeting" on your calendar for **Monday November 5** right now and then be sure to attend the event being held during the 2018 LCT/NLA Show East at Harrah's in Atlantic City.

Your take-away (in addition to the delicious food!) will be relevant and practical insight into how to build a more profitable company.

The meeting's guest speaker is **Richard Magid**, president of Soundboard Consulting Group, recognized expert in leadership coaching and development and longtime, highly respected facilitator for one of chauffeured transportation's "20 Groups."

His presentation "Raising the Bar on Accountability" will zero in on the challenges business owners face today where "everything's urgent," especially with the younger generation of employees, and explain how, with a few small shifts, you can manage to this current reality and achieve increased accountability and accelerated productivity.

You may register for the meeting by responding to the Evite that you will receive next week or, if you prefer, by simply replying to this email saying "I'll be there!"

There is no fee to attend the breakfast.

Of additional note: The first 100 guests to arrive at the meeting will receive a copy of *Small Shifts Toward Collaborative Freedom* authored by the speaker.
